Sub: Procedure for reimbursement of medical claims for the retired employees of BSNL under BSNLMRS – request for issue of clarification

Sir,

We are constraint to seek for your kind intervention on the above matter since doubts are being raised whether the claims for reimbursement for outdoor treatment with voucher against the treatment taken in the previous financial year, say 2012-13 and received in the next financial year i.e. 2013-14 can be reimbursed against the ceiling limit of the next year i.e. 2013-14, if received within the stipulated 6 months period.

2 Para 2.2 of the Procedures for reimbursement of medical claims for retired employees of BSNL under BSNLMRS, circulated under BSNL No. BSNL/Admn.I/I(Pt) dated 23.08.2006 states that “claims received within six months of incurring expenditure will also be accepted”. Thus a retired employee, taking treatment say in the month November of a financial year can submit claims even in the month of May of next financial year. In such cases, doubts are being raised whether the claims are to be settled against the ceiling limit of the financial year in which the treatment was taken or the financial year in which the claims are received.

3 We shall be extremely grateful if the above issue is examined and suitable clarification issued at the earliest to remove the doubts and straighten the matter.

With kind regards,

Yours sincerely,

(S Basu)
General Secretary
