**Sub: Discrepancies in revision of pension with fitment benefit by merger of 78.2% IDA - Cases of Shri M Sahadevan, Retd AM (PPO No. 692011021200139) and Shri K D John, Retd DE (PPO No. 771461208322)**

Sir,

We would like to draw your kind personal attention on the discrepancies which have been noticed in the revised PPOs issued in respect of the above named pensioners which need to be sorted out. The concerned pensioners had already sent their representations to your Office giving the details of the issues involved. However, the cases are yet to be settled.

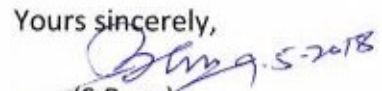

2.1 Shri M Sahadevan, Retd DE has represented against reduction of his basic pension consequent to fixation of pension with fitment benefit by merger of 78.2% IDA. It seems that the discrepancy crept in while stepping up of his pay with reference to his junior. A copy of his representation is enclosed herewith.

2.2 In the case of Shri K D John, Retd DE, his basic pension has been fixed on the basis of his last pay drawn. But this should have been done on the basis of average of his last 10 months basic pay drawn since this is beneficial to him. A copy of his representation is also enclosed herewith.

3. We shall be extremely thankful if the above two cases are settled and corrected PPOs are issued at the earliest.

With kind regards,

Yours sincerely,

  
(S Basu)

General Secretary
