Sub: Provision of residential telephone connections to the retired BSNL employees - Cases of those residing in TNF areas

Sir,

We are constrained to seek your kind personal intervention on the above issue since number of representations made by us from time to time for last three years on the same issue have failed to yield any positive result. We even had a meeting with General Manager (Admn), BSNL on 20.12.2016 in which we were given to understand that the issue would be settled. But unfortunately, till now the issue remains unsettled.

2. We may repeat that though BSNL has allowed provision of concessional residential telephone facility to the Retired BSNL Employees, the benefit could not be availed by many due to the area in which they are residing are declared as TNF area. Earlier, in such cases WLL connections were being provided by the field units. But because of a policy decision by Corporate Office, the WLL Exchanges are now decommissioned and consequently the retired BSNL employees, who were earlier provided concessional telephone facility through WLL connections, have now find their facility discontinued.

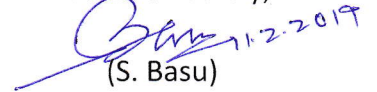

3. In order to overcome the problem and resolve the issue, earlier we requested to allow at least Cellular Mobile Service connections to the retired BSNL employees residing in the stated TNF areas in lieu of concessional residential telephone connection (DEL). The facility of mobile connection could be restricted to the tariff plan within the prescribed limit in monetary term that the concerned retired employees are eligible to get, had they been provided a concessional landline connection. This facility can even be allowed to other areas also allowing an option to the retired employees either to have a land line or mobile connection.

Contd....

4. In view of the above, we again request you to kindly intervene in the matter so that our request as at Para 3 above is examined in right earnest and the mobile telephone facility is allowed to the eligible retired BSNL employees residing in the TNF areas.

With kind regards,

Yours sincerely,

 11.2.2019
(S. Basu)

General Secretary
