Sub: Non-payment of additional quantum of pension on attaining the age of 80 years – case of Shri Abdul Rashid Khan, Retd JTO, WTR

Sir,

    We are enclosing a copy of the representation submitted by Shri Abdul Rashid Khan, Retd JTO, WTR, addressed to the office of CCA Maharashtra & Goa on 15.02.2025, requesting payment of additional quantum of pension on his attaining the age of 80 years in September 2024.

2.   This additional 20% of pension should have been paid to him from 1st of September 2024 as he attained the age of 80 years on 15.09.2024, as the logic to calculate additional quantum of pension has been incorporated in SAMPANN and there is no need to wait for a request from the pensioner. After waiting for nearly six months, the pensioner had submitted the representation for release of additional pension on 15.02.2025 [copy enclosed] but is yet to get the additional pension included in his pension and paid.

3.   We request you to kindly bestow your kind attention to ensure that Shri Abdul Rashik Khan gets his additional pension, along with arrears paid without further delay.

    With kind regards,

                                                              Yours sincerely,

                                                              19|5|25

                                                              (R.R. Balasubramanian)
                                                              General Secretary
