Grievance Description

Personnel and Training >> Policy Related >> Others

This is a policy related grievance regarding Anomaly in Grant of Additional Quantum of Pension for Pensioners Born on the First Day of a Month. In the interest of fairness and equity, it is requested that the DoP&T consider aligning the rules so that pensioners born on the first day of a month are granted the additional quantum of pension from the month in which they complete the age of eligibility, i.e one month earlier than others. Such a correction would not only remove an arbitrary disadvantage but also uphold the principles of justice and uniformity in pension administration. A detailed representation is enclosed
